

Child Safety Policy

Here at Nicholas Sebastian, we are a family friendly salon and spa. We know how challenging it is finding time to spend for yourself. We also understand that your “me time” does not always align with your hair or spa appointments.

In the event you must bring a young child to your appointment, please provide proper supervision for them in the form of an additional caretaker or ensure that they are able to sit quietly in our waiting area. We kindly request **ONLY** those children receiving services be present in the service areas. Children under the age of 15 are only permitted in our spa by appointment.

We absolutely love children and hope you understand that we just cannot assure their safety in a professional environment with sharp scissors, razors, chemicals, steam machines, hot curling and flat irons that can reach above 450 degrees. We also do not want to compromise the relaxation of our other guests who are receiving services. Your understanding is greatly appreciated.
